VOL. XII. NO. 22

TONOPAH, NEVADA, MONDAY EVENING, MAY 20, 1912.

PRICE 10 CENTS.

ROOSEVELT RAVES; SAYS IF NOT NOMINATED WILL BOLT

White Feather Shows Plainly---Big Me Says He Is the Man---Ohio Primaries Will Be Held Tomorrow.

HAMILTON, May 20.—President Taft, in a speech here today, said: "Roosevelt speaking before a Cleveland audience, said unless he was nominated he would bolt the party. In effect he says, 'I am a republican. If you get enough votes in the convention to nominate someone else you all become bolters. If elected president he would be saying: 'I am the government, I am the people, I am the whole thing.'"

CLEVELAND, May 20.—Taft and Roosevelt are both confident of their success at the primaries to be held tomorrow. Roosevelt opened his day's work at Marietta. The names of Taft or Roosevelt will not appear on the republican ballots, as the voter ballots only call for delegates. Harmon's and Wilson's names will appear on the democratic ballots.

CLEVELAND, May 20.—Roosevelt is scheduled to make ten speeches today and will close his tour of Ohio tonight at Denison. President Taft remained in the southwestern part of the state.

TYRUS COBB IS SUSPENDED FROM LEAGUE

TYRUS COBB Border
PHILADELPHIA, May 20.—The Detroit Tigers, who are on strike because of the suspension of Tyrus Cobb, announce they have assurance that every team in the American league will strike unless Ban Johnson, president of the league, rescinds his action. President Navin of the Detroit team arrived this morning to hold a conference with Johnson, the result of which the existence of the league may depend. Today's game with the Athletics has been postponed.

PHILADELPHIA, Pa., May 20.—1:30 p. m.—The baseball strike is over and the Tigers will play Washington tomorrow. Cobb won't play tomorrow, but President Navin assured the strikers the case will be adjusted immediately and promised them that all players will hereafter be protected against insults from spectators.

STATE EAGLES MEET IN ANNUAL CONVENTION.

BAKERSFIELD, Cal., May 20.—The annual convention of the State Aerie of Eagles convened here today with Dr. Thomas Carpenter of Alameda presiding. Fifteen hundred delegates are in attendance. Ocean Park and Eureka are the candidate cities for the 1913 and 1914 conventions.

Tom Hurley's Minstrel Show Is Biggest Hit of the Season

At the Nevada theater tonight Tom Hurley's Minstrels will be heard. This is one of the biggest attractions of the season. The following is from the Goldfield Tribune:

Tom Hurley's big minstrel show in Goldfield last night "made good" every claim made for it in the advance notices, which is out of the ordinary rule, even for traveling professional companies. The capacity audience in attendance voted the entire production a meritorious effort, and in compliance with many requests and in order that all local lovers of amusement may see the show, it will be repeated again tonight. The show, from start to finish, proved highly entertaining, and the efforts of every member of the company received a generous quota of applause. The jokes are up to date and witty and the songs are tuneful and of a fresh vintage. The show will be presented in Tonopah tonight.

It would be difficult indeed to determine to whom is due the lion's share of praise for the success of the show; special mention is due each member of the company, judg-

LORIMER VOTE NOT SECURED BY BRIBERY

WASHINGTON, May 20.—The majority report of the Lorimer committee was submitted to the Senate today. It says in part: "We are convinced that no vote was secured for him by bribery, and that no one else raised a campaign fund to secure his election; that his election was the logical result of existing political conditions in Illinois and was free from corrupt practices."

WASHINGTON, May 20.—The minority report, signed by Lea, Kern and Kenyon has just been presented. It declares at least ten of the Lorimer votes were purchased, and claims that the "Senate record reeks with evidence of a general scheme of corruption."

ATLANTA, GEORGIA, GETS PRESBYTERIAN ASSEMBLY.

LOUISVILLE, May 20.—The Presbyterian assembly today voted to meet at Atlanta, Ga., in 1913. The southern wing of the church meets there also.

NEW AUTOMATIC SHOTGUN GIVEN AWAY

The Nevada Club is giving away one of the latest automatic shotguns. Absolutely giving it away. Call and see the gun and find out how they do it. 5-1-tf

E. M. Luckett, superintendent and general manager of the Rescue Rula Mining Company, left this morning for San Francisco.

MANHATTAN WILL HAVE ANOTHER PRODUCER SOON

A party consisting of James Morris, Jake Goodfriend, R. J. Kelly and W. A. Berry, directors of the Gold Reef Mining Company, autoed over to Manhattan Sunday, in Mr. Kelly's auto to inspect the property of the company with a view of formulating plans for future development and equipment. This was the first visit of a majority of the directors to the property, and they expressed themselves as being well pleased with what they saw. A mill run of ten tons of ore was decided upon in order to get a line-up on the average value of the ore and the percentage of saving without cyaniding. Meanwhile plans are maturing for the equipment of the property with an electric hoist and a vigorous campaign of development on the 200-foot level, and it now looks as if within a few weeks another Manhattan property of great promise will be in the producing list.

MODERN AND UP-TO-DATE CAR HAS ARRIVED

Louis Amundson arrived from San Francisco last evening with his new Chalmers 36 automobile, having made the trip in three days. The car is up-to-date in every respect and attracted the attention of several hundred people who were curious to examine the mechanism of the new buzz wagon. It has all of the new equipment now being placed on all first-class automobiles, which includes the self starting arrangement, electric lights and automatic air pumps. Mr. Amundson will place the car on the road between Tonopah and Manhattan, making daily trips between the two cities. S. Floate accompanied him on the trip from San Francisco to this city.

IONE DISTRICT WILL BECOME GREAT PRODUCER OF GOLD

Shipments Are Made to Mill---Values Run High In Precious Metal---Shipping Quicksilver Regularly.

The camp of Ione, located about 55 miles north of this city, as at present attracting considerable attention from the eyes of the entire mining world. During the past month several of those who are working properties have placed them in the list of shippers. Throughout the entire district activity reigns and many new companies are starting development work on their holdings. C. K. Jarvis and James Forman, who, with Thomas Murphy, have a lease and bond on the Catherine group, arrived in Tonopah Saturday evening. In speaking of the various workings in that district Mr. Jarvis said the entire section would soon become one of Nevada's greatest producers of the precious metal.

The Catherine property shipped 75 tons of ore that will give returns of \$30 per ton for the Berlin mill last week. The predominating value in gold, although small returns of silver have been received. At the present time the main shaft has reached a depth of 100 feet which is being sunk on the ledge. Ore is sacked from this shaft that will give returns better than \$350 per ton, which will be shipped to Hazen. A 25 h. p. hoist is now installed and the work will be pushed vigorously, as it is the intention of the company to sink another 100 feet before lateral work is started. Two sets of leasers are also operating on the same property. E. E. Saffor of Manhattan with William McCarthy of Tonopah have opened up a vein of good ore, ten feet wide, which is being sacked and will be shipped to Berlin for treatment. J. A. Blackburn and Charles E. Steel have also opened up a body of medium grade ore about 1,000 feet from the Catherine shaft, that will assay \$40 per

ELECTRIC HOIST FOR "76" PROPERTY HAS ARRIVED

The work on shaft No. 1 in the western portion of "76" ground continues in a highly satisfactory manner and is now down about 50 or 60 feet. The formation recently encountered in this shaft carries small values and every change of formation is being carefully assayed.

While it is not presumed that much can be expected before a greater depth is reached, still it is a notable fact that the company contemplates sinking another shaft on the eastern end of their property as the showings in the prospect shaft at this point are so encouraging that it is thought best to commence the sinking of a working shaft here in order that development work be carried on at both points.

This shaft will be known as shaft No. 2, and it is hoped that some good ore will shortly result as this work progresses.

The unloading of the 50 h. p. electric hoist and other machinery recently purchased was accomplished this morning and installation will be pushed with all possible haste.

ALLEGED CATTLE RUSTLERS PLEAD NOT GUILTY.

Nick Vico and Jerry Komelich, who were indicted by the grand jury several days ago on the charge of cattle stealing, appeared in the district court this morning and entered a plea of not guilty. The date for trial will be set by the district judge this afternoon, who will in all probability place it on the calendar to follow the Mirkovich case, which is set for June 4.

JURY ALMOST SELECTED IN DARROW CASE.

LOS ANGELES, May 20.—With 12 jurors in the box, 10 sworn and two unexamined, the Darrow bribery trial was resumed at 2 o'clock this afternoon.

REBELS ARE DESERTING AND SURRENDERING TO FEDERALS

Federals Capture City of Guadalupe---Route Garrison of Thirty Rebels---Texas Rangers Ordered to El Paso.

EL PASO, May 20.—Two hundred federals captured the city of Guadalupe, 30 miles east of Juarez, this afternoon, routing a garrison of 30 rebels. Juarez sent federal reinforcements as it is feared the rebels will attempt to capture Juarez. El Pasoans are very much excited.

MEXICO CITY, May 20.—The

AUTO PARTY TOURING U. S. IS IN TONOPAH

J. L. Gibson and wife accompanied by Job Andrews arrived from Los Angeles late Saturday night in their 60 h. p. Premier automobile. The party are touring the United States, having started from Missoula, Montana, several months ago. The first lap of their journey was to New York City, from which point they started on the southern route, their destination being Los Angeles. After spending several weeks in that city they started on their return trip for their home in Missoula. The trip from the Southern California metropolis was made to this city in 2 1/2 days. Mrs. Gibson is an expert at the wheel and takes great delight in piloting the car.

The party left Tonopah this morning for Ely, where they will stop for several days. According to Mr. Gibson he expects to reach his home some time in July.

WEDDING OF CHITOVICH AND CUZA YESTERDAY.

Judge H. H. Atkinson yesterday morning officiated at the wedding of Horace Chitovich and Sofia Cuza, who were married at the residence of the groom on Belmont avenue. Both of the contracting parties have been residents of Tonopah for some time. After the ceremony was performed all present sat down to a sumptuous wedding breakfast that was prepared for the occasion.

FRESH VEGETABLES DAILY.

Allie Shelly arrived from Bishop, Cal., this morning and will in a few days open a produce and vegetable store. Mr. Shelly has made arrangements to receive fresh vegetables and produce of all kinds daily.

Post Card Vote Will Decide Recall Question

RENO, May 20.—After practically an all-day discussion the members of the State Bar Association assembled at the court house Saturday, adjourned without carrying out the purpose for which they had been called together.

By a vote of 17 to 13 the work of securing a vote committing the entire association on the question of recall as applied to the judiciary, was deferred until a postal card referendum vote can be had giving the views of all the members.

By a vote of 15 to 13 a motion was carried stating the sense of those members present at the meeting to the effect that they opposed the recall of the judiciary.

The proposition which originally came up and which was named in the call, declaring it the sense of the Nevada Bar association as a whole that it was opposed to the recall of the judiciary, was advanced in the early part of the session, but it was never directly voted on. The question is now in the hands of the executive committee of the bar association, with instructions to consider it and submit it to a postal card referendum. This ac-

Mexican government reports that General Orozco's rebels are deserting and surrendering to General Huerta of the federals. General Hernandez was sent south from here to meet General Zapata.

DALLAS, May 20.—Colonel Colquitt has ordered all the Texas Rangers to go to El Paso as he feared the Juarez rebels' plan is to try to provoke intervention.

MAY EXECUTE PASTOR RICHESON AT MIDNIGHT

BOSTON, May 20.—Warden Bridges alone knows when Clarence V. T. Richeson, the condemned poisoner of Avila, will be executed. The gruesome preliminaries were arranged this morning, including that the electrocution will probably take place at midnight. Richeson retired at 1 o'clock this morning and slept until 8 o'clock, when he arose and ate a hearty breakfast.

VIGILANTES WILL APPEAR BEFORE COURT

SAN DIEGO, May 20.—After remaining in hiding for two days, Marcus Robbins and Fred Moore, the industrialist attorneys, appeared before the superior court and asked for contempt citations against the 16 vigilantes. The attorneys charged that they were threatened with violence by the vigilantes unless they leave town. Judge Guy named May 22 as the day for the vigilantes to appear.

K. P. LODGE WILL HOLD THIRD DEGREE.

McKinley lodge of the Knights of Pythias of Goldfield will arrive by a special train this evening and will put on the third degree of Pythiasism at the K. P. hall tonight. After the lodge work has been completed a banquet will be partaken of by the members.

NEW MANAGER FOR NEVADA GAS CO.

J. S. Worthington, of San Jose, Cal., is the manager of the Nevada Gas Company, and is making many improvements in the service. Mr. Worthington is remedying all defects that heretofore existed and is showing the public that he intends to give them the best possible service. One of the first acts resorted to after taking charge was to give each meter a thorough test, thereby assuring the customer that they would pay for the gas actually used.
